

DXS-62 TRANSMITTER DISCONTINUED, REPLACED BY DXS-62A

The Linear Security Brand Model DXS-62 (SST00090) Supervised 1-Button, 1-Channel Pendant/Wristband Transmitter will be discontinued.

Stock is limited to the supply on hand. Once the stock is sold out, the product will no longer be available.

The DXS-62 has been replaced by the similar Model DXS-62A (SST00090A). The DXS-62A is identical in size and shape, and is supplied with the same accessories as the DXS-62.

For increased battery life, the DXS-62A contains larger batteries than the Model DXS-62, but does not contain an audible sounder.

For more information regarding the new DXS-62A transmitter, visit its product page on Linear's Web site at:
